Reflect on the topic

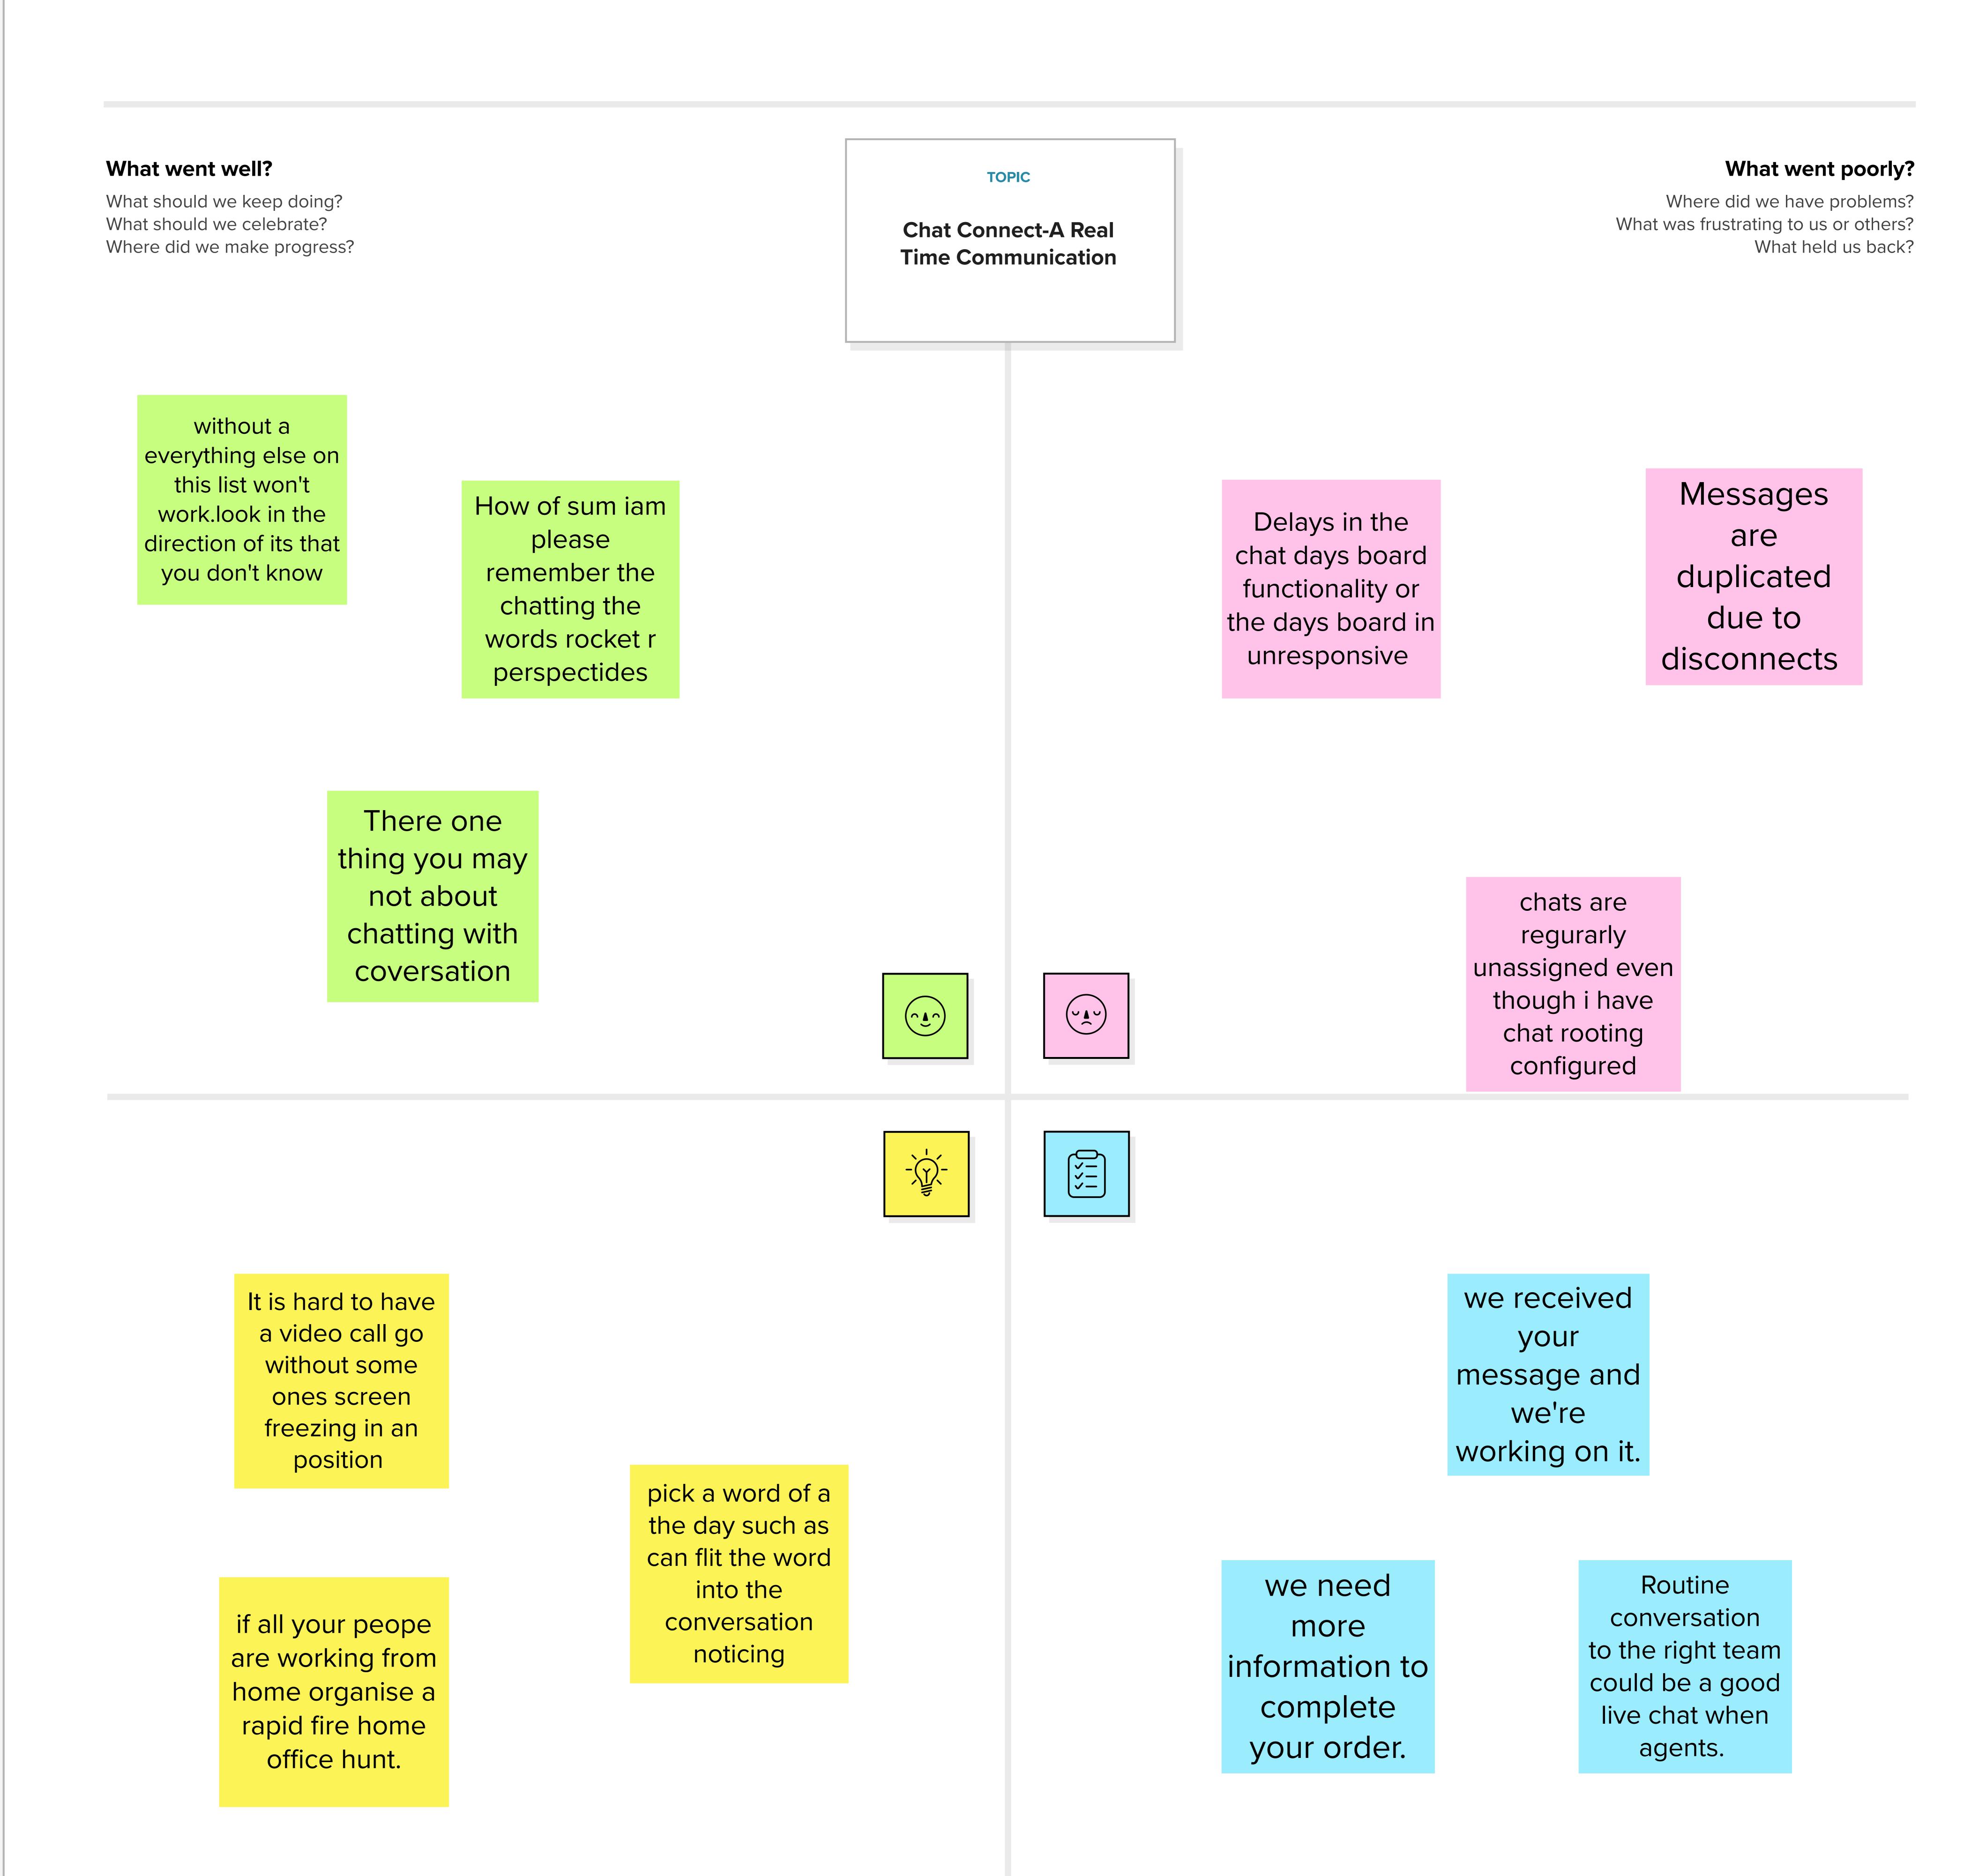

What ideas do you have?

What has untapped potential?

What ideas do you have for future work together?

Where do you see opportunities to improve?

Working silently and individually, have each person create a few sticky notes in all four quadrants below for about five minutes. With the remaining time, discuss notes in each quadrant.

How should we take action?

What do you believe we should do next?

What specific things should we change?

What should extend beyond this meeting?
